Overview

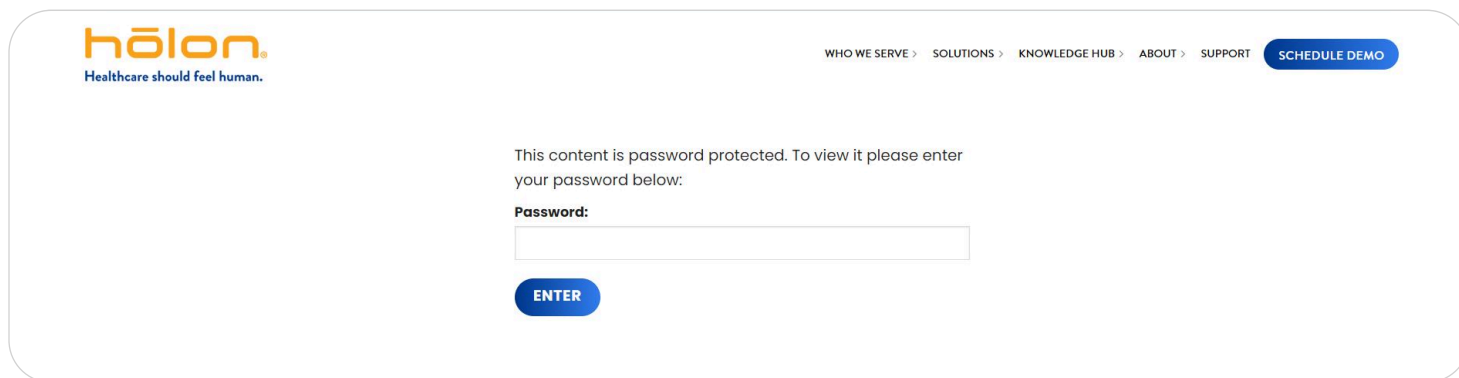

In this guide, you will learn how to download and install the Holon app and validate patient data.

Instructions

01 Download the Holon app

Download the Holon app file from the link below and enter the provided password.

- Download link <https://www.holonsolutions.com/downloads/release/>
- Password **GA2020!**

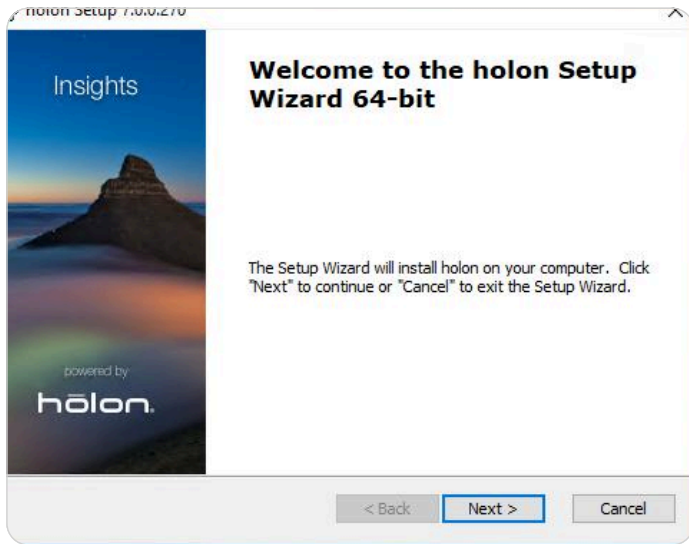

Select the version best suited for your device. We recommend selecting the **Windows 64-bit EXE** version unless advised by your IT support.

02 Install the Holon app

Once download is complete, open the Holon app file and follow the installation steps on your device.

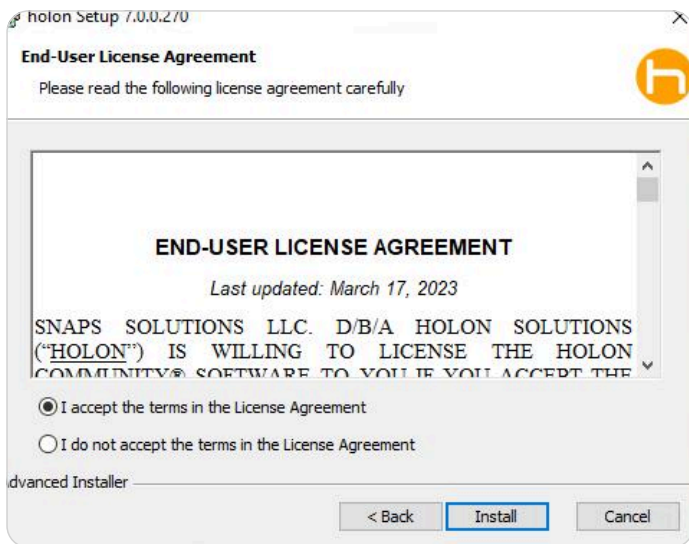

A Click **Next**.

B Select **Only for me**. Click **Next**.

C Click **I accept** on the end-user-license agreement, then **Install**.

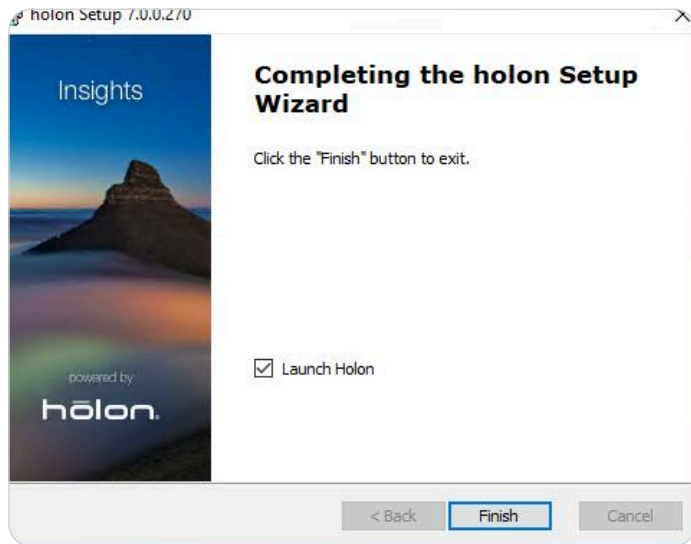

D Unless otherwise specified by Holon, make no selection. Click **Install**.

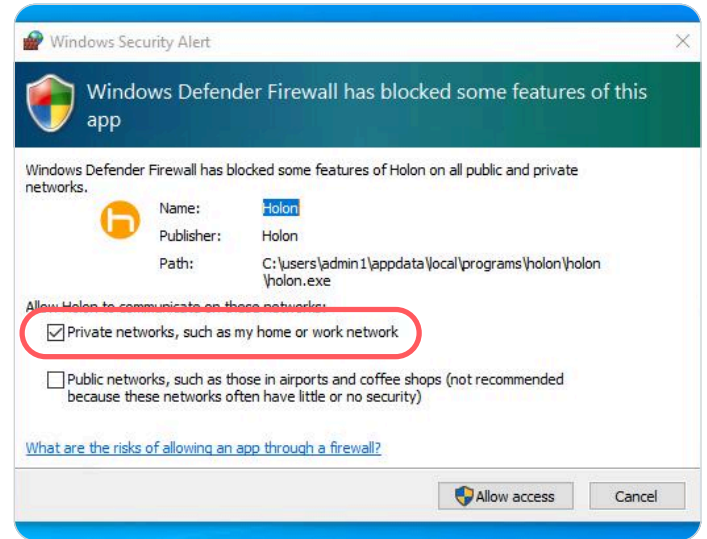

02 Install the Holon app (continued)

E Click **Finish** and your installation is complete.

F You may see a Windows Firewall popup. If so, please select the **Private networks** option and click **Allow access**.

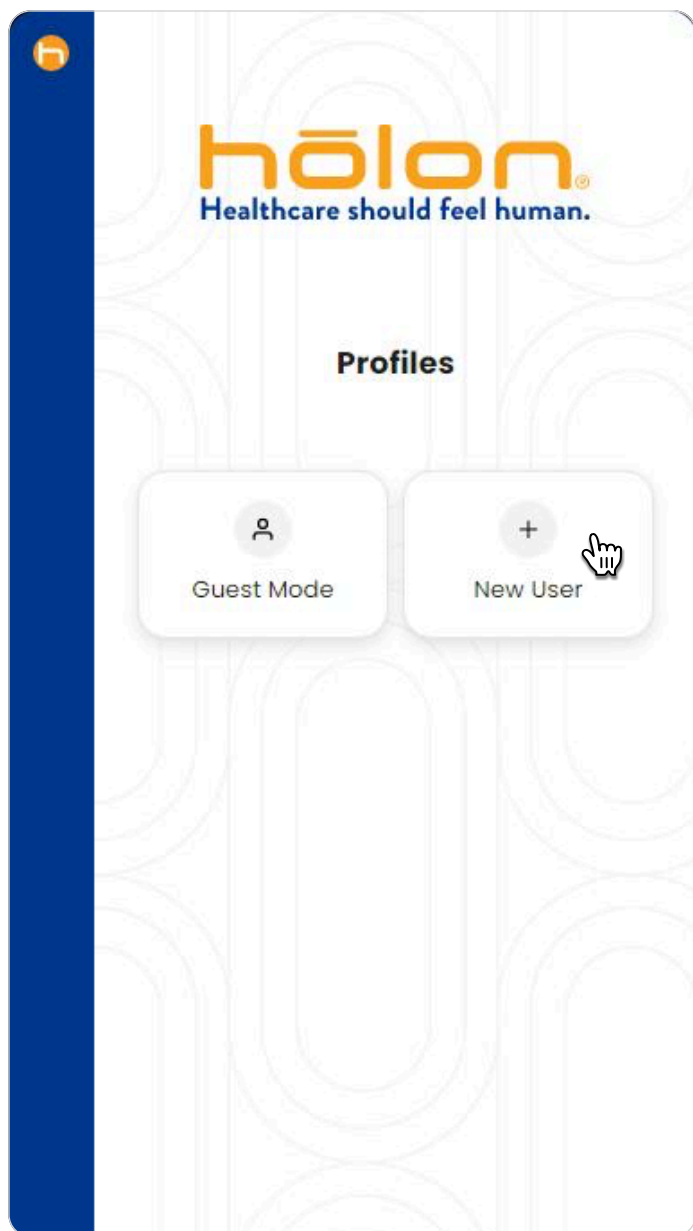

Once the installation is complete, click the **Holon** icon located on your desktop and open the app.

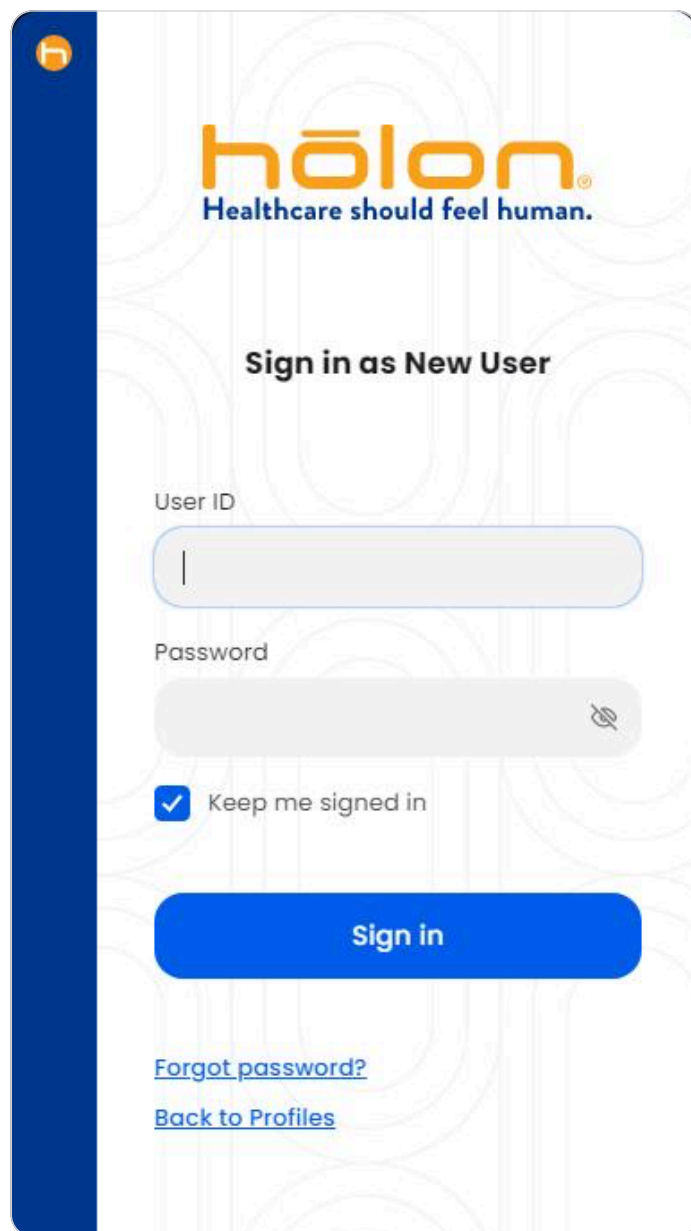

03 Initial sign In

Sign into the Holon app for the first time.

A Sign in by clicking **New User**.

B Enter your **User ID** (email address) and **temporary password** provided in your welcome email.

03 Validate Patient Data (continued)

C Check **Keep me signed in** if you'd like to stay signed into this profile. Click **Sign in**.

The screenshot shows the 'Sign in as New User' form. At the top is the HOLON logo with the tagline 'Healthcare should feel human.'. Below the logo is the heading 'Sign in as New User'. There are two input fields: 'User ID' and 'Password'. The 'Password' field has a toggle icon on the right. Below the password field is a checkbox labeled 'Keep me signed in' which is checked. A large blue button labeled 'Sign in' is positioned below the checkbox, with a hand cursor icon over it. At the bottom, there are two links: 'Forgot password?' and 'Back to Profiles'.

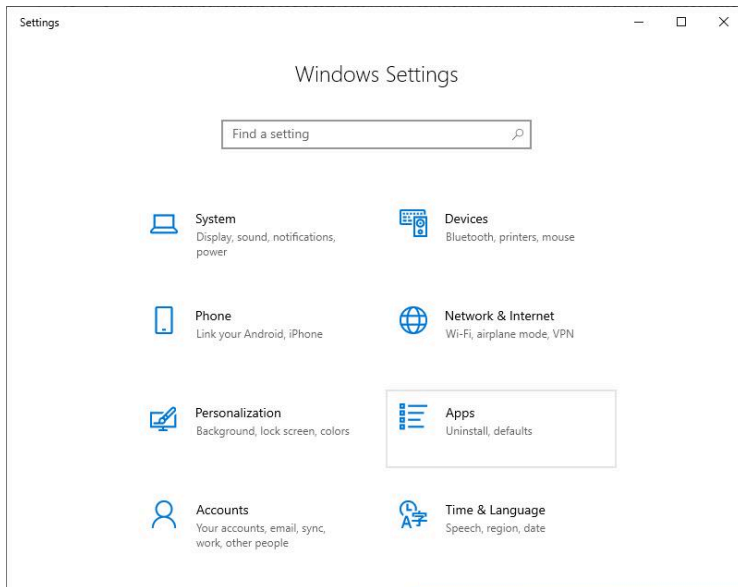

D Enter your **new password**. Click **Update password**. You will automatically be signed in.

The screenshot shows the 'Reset Your Password' form. At the top is the HOLON logo with the tagline 'Healthcare should feel human.'. Below the logo is the heading 'Reset Your Password'. A light blue box contains the following information: an information icon, the text 'Password requirements:', and a bulleted list: 'At least 8 characters', 'A lowercase letter', 'An uppercase letter', 'A number', 'No parts of your username', and 'Your password cannot be any of your last 4 passwords'. Below this box are two input fields: 'New password' and 'Re-enter password'. Both fields have toggle icons on the right. A large blue button labeled 'Update password' is positioned below the second field. At the bottom, there is a 'Cancel' link.

Uninstalling

A To uninstall the Holon app:

- Navigate to your device's settings
- Click on **Apps**
- Locate the **Holon app**
- Delete the **Holon app**

If you have any issues uninstalling the Holon app from your device, please visit the Holon Help Center to submit a support request.
